

DEAR ESTEEMED MEMBERS OF THE RK GROUP FAMILY,

Season's Greetings!

I trust this message finds you all in good health and high spirits. It is with great humility and a sense of profound gratitude that I address you today as we embark on the journey of our company newsletter.

Over the course of the past four decades, we, at the RK Group, have traversed diverse verticals, spanning multiple locations, and engaged in various business endeavours. The genesis of this newsletter is to unite our collective experiences, fostering a deeper understanding amongst us, strengthening our connections, and enhancing our collective knowledge.

Our organization has witnessed steady growth throughout these years, and I firmly believe that the time has come for us to empower the **talented individuals** who have joined our ranks. It is an **opportunity** for them to assume leadership roles in different departments, facilitating a mutual exchange of knowledge and insights. It is equally imperative for us, the promoters, to embrace this transition, for it is through this synergy that we shall collectively flourish.

Our commitment to Corporate Social Responsibility (CSR) has been a cornerstone of our trust. We will utilize this platform to keep you informed and engaged in our CSR activities, further solidifying our commitment to societal well-being.

As we embark on this journey together, hand in hand, I am reminded of the profound strength and resilience of RK Group, which has grown steadily over these 42 years, now comprising around 1000 employees. Together, we shall continue to rise, learn from one another, and contribute to the enduring success of our organization.
